

ELBA CLIPPER
Established June 17th, 1897.
R. C. Bryan, Owner - Publisher
E. W. Gail, Editor

SUBSCRIPTION PRICE
One Year \$1.50
Six Months .75
CASH IN ADVANCE.

All names go off mail list at expiration of subscription.

Entered as second class matter July 18, 1905, at the Postoffice at Elba, Alabama, under Act of Congress of March 3, 1879.

NOTICE!

Commencing Jan. 1, 1929, all legal notices such as mortgage foreclosures, orders of publication, and the like, will be strictly cash in advance. Notices in arrears without a remittance will not be published until a check is received.

Rates are 15 cents per word for the first insertion, and one cent a word for each subsequent insertion.

WHOLESALE PARDONING
Nearly every day one may read of pardons issued to prisoners by governors of various states. All of which, of course, stamps the governor as a man truly humane. But why were the men imprisoned in the first place? Were they not guilty? Of what? Was the judge's sentence? In fact, why have a judge pass sentence at all, if the pardoning board and the governor can release a convict at will? Wouldn't it be simpler to dispense with a judge, and let a low-salaried clerk keep records of cases, and when a jury finds a man guilty, just ship him along to prison, allowing the pardoning board to keep the individuals incarcerated as long as they deemed necessary? This system would effect a great saving to the county funds.

When the teeth of a saw are removed the danger becomes less. When a man knows that he can commit any crime he desires and go scot free within a short time, he is less afraid of the law, and his respect for law will diminish until it becomes contempt.

The system of courts in the United States is at best cumbersome and inefficient, and when a person is finally found guilty, why should they not pay the penalty as prescribed by the law? Otherwise there has never been a real reason for going to the expense of trying a case. The teeth of the saw must be sharpened before crime can be checked.

JANET GAYNOR A SCHOOLMATE

The recent showing of the "Street Angel" at the Elba Theatre brings to mind the fact that the writer used to go to grammar school with the star of the picture, Janet Gaynor, only at that time she was called Laura, and was a small, freckle-faced girl, albeit exceedingly attractive. The attractiveness, it seems, has grown, and she is one of the most beautiful stars on the screen today, and is an actress of real ability.

Little did the students at that small Florida school think that within its ranks there was a potential movie star that would later receive the plaudits of the entire country.

Let's make 1929 a banner year for the home merchants.

CO-OPERATION BRINGS ITS USUAL RESULTS

Below we are reproducing a new article that appeared in The Troy Messenger Friday of last week, an article, by the way, that should have been in the Elba Clipper, as it was the impression upon the minds of Elba business men.

"Troy merchants and business men have endorsed the movement started last week of a perpetual monthly dollar fund. The movement was started by the work of the two local civil clubs, Rotary and Kiwanis, and the support of the business men not affiliated with either club.

"The program will be to advertise this event in the surrounding country papers and to make it appeal to the out-of-town trade. Every line of business represented in Troy will help to put this over, and from the start make this morning at a meeting of the committee it was endorsed and assured.

"A half page ad will be run in addition to the out-of-town papers in addition to the ads that will be run in the local city and county papers and with this publicity the invitation it is foreseen that these efforts will make this even equal to a gala day.

"Dollar day will be held as heretofore on the last Friday of each month regardless of the weather and the predictions are that with all the wholehearted co-operation of rather than a few, it will be the biggest day of the month. Shoppers will be brought to Troy from all the out-of-town districts.

"As the event progresses and as each merchant will see the importance of this for that day, they will be best values ever seen even in Troy and Elba. The merchants are now busy planning for the first event which will take place on the 24th—the last Friday in January.

"What wonders a concerted 'Trade in Elba' Day would work! By bringing before the people the fact that Elba merchants carry stocks on a par with any town its size would without doubt increase business here, and it is certainly result in having Elba money spent in Elba, which is as it should be.

Progressive business men know that co-operation in any plan will practically guarantee its success. Yet there are many who refuse to align themselves with a group, afraid that the loss of their individuality will be lost. Such a spirit will never gain up a town.

Motorists are obliged to make at least 35 miles an hour over Miami's viaduct or risk arrest. With some cars it might be better to risk arrest. Except sometimes when he magnificently don't, I do not. The horse is almost absolute as a milk cow. When he neighs, it is best to absent immediately, if not some sooner, for the generally interests something. Brevard Co. Advocate, Melbourne, Fla.

FARM LOANS.
For long time loans on farm land, at low interest, by J. N. HAM, Elba, Ala.

CARD OF THANKS
We take this method of thanking the good people for their kindness to us during our recent bereavement of our dear wife and mother, who was so unexpectedly called away from us on January 7th.

W. C. Clark and Children.

Troy Business School
Troy, Alabama
Complete courses in stenography, bookkeeping, typing, and all supplementary subjects. New term begins January 2, 1929.
By W. B. Borton, Assistant Trust Officer.

Mrs. Arthur Owens
Troy, Alabama
Men's S. out Peters Diamond Brand Work Shoes, now \$2.45 per pair. Mays-Vaughn Mercantile Company.

THE EDITOR'S JOB

Getting out this paper is no picnic, if we print jokes people say we are silly.

If we don't they say we are too serious.

If we slip things from other papers, we are too lazy to write them ourselves.

If we don't print contributions, we don't appreciate true genius.

If we go out and try to build a paper, we are too much for our own good.

If we don't print contributions, we don't appreciate true genius.

If we go out and try to build a paper, we are too much for our own good.

If we don't print contributions, we don't appreciate true genius.

If we go out and try to build a paper, we are too much for our own good.

THE BEST WAY TO ENFORCE THE PROHIBITION LAW

November 17, 1928.

My Dear Friend:

As you are anxious to have a party in the United States, I hasten to name the plan, although it is not new.

Now, the only way to do the big job is to have a nation-wide revival of Holy Ghost repentance of sin, of Holy Ghost regeneration, and of Holy Ghost glorification. The same power that changed the proud Saul of Tarsus, with murder in his heart, to the humble apostle Paul, who became the most valuable citizen and preacher since Jesus walked among men, the same power that changed the cowardly, naming Peter to the bravest of men, the same power that saved John Bunyan from an awful profane swearer to the most wonderful religious writer, who wrote the book next in value to the Bible, the power that changed George Muller from the profane, wicked man that he was to the greatest man of faith since the days of Abraham, the Holy Ghost that spoke out through the immortal John Knox and said, "Lord, give me Scotland, or I die," the power that filled the unschooled Dwight.

Yours for Him who loves us and gave Himself for us.

J. C. Dunlap, Evangelist, Banks, Ala.

HISTORY OF PLEASANT RIDGE SCHOOL

In the year 1867 Pleasant Ridge school house stood on public land near the place Mr. J. E. Barnes lives on today. It is one mile north of New Home Baptist church. The building was constructed of split logs with a stick and dirt chimney. Slab benches were used for desks. It was then known as Harrison school. Miss Ella Peacock taught that year and for several other terms.

In about ten years the school was moved to Mr. Dan Adkinson's place, which now belongs to Mr. J. E. Barnes. Walls. This time the building was made of round logs with a stick and dirt chimney. Peculiar to our standards today, a long shelf was built across the rear of the room. All writing done by pupils or teacher was done on the shelf. The school at this time was known as Adkinson school. Mr. John Adkinson was the teacher.

Again in 1885 the school was moved, this time to the place where Mr. "Bunk" Brown's home now occupies. This is at the crossing of the road leading from New Brockton to Samson and from Enterprise to Goodman. This building was constructed similar to the last mentioned building, being taught by the same teacher, Mr. John Adkinson.

In ten years the building was constructed similar to the last mentioned building, being taught by the same teacher, Mr. John Adkinson.

HISTORY OF PLEASANT RIDGE SCHOOL

In the year 1867 Pleasant Ridge school house stood on public land near the place Mr. J. E. Barnes lives on today. It is one mile north of New Home Baptist church. The building was constructed of split logs with a stick and dirt chimney. Slab benches were used for desks. It was then known as Harrison school. Miss Ella Peacock taught that year and for several other terms.

In about ten years the school was moved to Mr. Dan Adkinson's place, which now belongs to Mr. J. E. Barnes. Walls. This time the building was made of round logs with a stick and dirt chimney. Peculiar to our standards today, a long shelf was built across the rear of the room. All writing done by pupils or teacher was done on the shelf. The school at this time was known as Adkinson school. Mr. John Adkinson was the teacher.

Again in 1885 the school was moved, this time to the place where Mr. "Bunk" Brown's home now occupies. This is at the crossing of the road leading from New Brockton to Samson and from Enterprise to Goodman. This building was constructed similar to the last mentioned building, being taught by the same teacher, Mr. John Adkinson.

In ten years the building was constructed similar to the last mentioned building, being taught by the same teacher, Mr. John Adkinson.

Friends of Mr. and Mrs. Sam Blue and daughter who have been ill of influenza for over a week, will be glad to learn that they are well on the road to recovery.

Mr. Esar Marley, who has a position with the Union Bank & Trust Co., Montgomery, spent last week-end with his parents, Mr. and Mrs. D. C. Marley.

NEW CURTAINS
Put new curtains on your car and improve the looks 100 per cent. See or call W. A. Bradley Shoe Shop for information. 13-10-17-24-31

Attorney J. C. Fleming, who has been ill with influenza, has sufficiently recovered to again be at his office.

The friends of Miss Anna Della Estelle, and Laura Bryant will be pleased to learn that they have recovered from the "flu."

Mrs. Ada Shealy, her daughters, Johnnie and Sara, Mr. Henry D. Jones and Miss Annie Lou Ellenberg visited last week with Mrs. Smart in Brundidge, S. D.

Mr. J. H. Galtin, formerly of Elba, Route 6, but now of Kingston Route 1, was a visitor in Elba last Thursday and dropped by the Clipper office for a few minutes. Mr. Galtin is one farmer who is thoroughly sold on the diversification plan and is of the opinion that after all it does not depend on one "money crop" each year, as so many do.

Rev. M. T. Moore was a caller at The Clipper office last Thursday, on his way from Montgomery to New Brockton, Rev. Moore is on his way from Butler down to Montgomery to bring his daughter to Woman's College, and took advantage of the opportunity to visit his old friends in this section. He was pastor of the Methodist church at New Brockton for six years, but at the last conference was transferred to Butler. He states that he likes his new charge very much, but that this section still seems like home to him.

Y. W. A. MEETING
The Y. W. A. met with Miss Ruby Polson Tuesday, Jan. 9th, 1929. The program was as follows:
Scripture reading by Miss Lois Brunson.
Prayer by Ruth Harper.
Minutes by Ruby Polson.
A Tale of Two Peoples was told by Mrs. Franklin.
Business discussion.
It was decided that the next meeting would be held with Miss Lois Brunson.

Genuine Kotek now selling for 35c at Mays-Vaughn Mercantile Company.

CARD OF THANKS
I want to thank the people of Midland City for their kindness to J. C. Cox and his good wife during their sickness and death, both of whom died within a week from influenza. Mr. Cox died Jan. 4 and his wife followed him on the 22nd. He was 52 years old and she was 64.

I sincerely wish to thank the nurses at the hospital and Dr. Stovall for their untiring services. Willie Darby.

SPECIAL—White Broadcloth Men's Dress Shirts, going for 98c at Mays-Vaughn Mercantile Company.

NEW STOCK OF PLAZA PONGEE, 26 different patterns, 36 inches wide, per yard 25c. Mays-Vaughn Mercantile Company.

PROGRAM

Mr. Milas Stewart and Roscoe Sykes of Dothan, spent Sunday with Mr. and Mrs. J. J. Gannon.
Mr. Tom Bowen spent the week-end with Harold and Ruth Bowden at Elba.
Mrs. S. V. Forchard and sons spent Sunday afternoon with Mrs. J. W. Bowden.
Mrs. Leamon Forchard is ill at her home with influenza.
Mr. and Mrs. Wilbur Walls and little daughter Ardith, spent Thursday night with Mr. and Mrs. S. M. Bowen of Enterprise.
The young people of Pleasant Ridge country are working on a play. The date will be announced later.

SPECIAL—Three spools of 8 Coats for only 10c. Mays-Vaughn Mercantile Company.

MASSONS PRESENT RESOLUTIONS IN MEMORY OF J. W. LEWIS
As it has pleased the Grand Architect of the universe to call from our beloved brother, Joseph W. Lewis, to a life eternal, why should we not now in humble submission to the will of our Saviour who knoweth best.

Bro. J. W. Lewis was initiated and entered as an apprentice by the Elba Lodge, at Henderson, D. C. county, on May 27, 1905. Passed to the degree of Fellowcraft June 24, 1906, and raised to the sublime degree of Master Mason July 22, 1906. He was a faithful member of that lodge for 5 years, until his death. He was a member of Lewis Mill Lodge No. 730, F. & A. M. He had served as treasurer and had held other offices in that lodge until his death, at which time he was marshal.

Of his life within the lodge we cannot say too much. He was always ready to serve the craft. He received his education at Troy Normal and Newton College, where he took a course in law.

His death came November 23, 1928, and he was buried with Masonic honors at Bluff Springs. And now he is at rest.

That we have suffered a loss from our craft by his passing, and it is hereby moved that this lodge tender its sincere and all sorrowing relatives our sincere and heart-felt sympathy.

The common loss of all, except that there is an immediate loss which cannot be filled.

It is further moved that a copy of this last respect be spread upon the minutes of Lewis Mill Lodge No. 730, F. & A. M., and a copy be placed in the Elba Clipper, to be published.

Respectfully submitted,
J. B. Brantley, J. B. Brantley, G. W. Ammons, C. E. Hudson, Committee.

WHITE & COMPANY

NOTICE OF PUBLICATION
State of Alabama, Coffee County.
In Probate Court of said County, At Elba, IN THE MATTER OF THE ESTATE OF ALBION A. SHIVER, DECEASED.

On the affidavit of the petitioners and the facts herein stated, it is made to appear to the Court that Albion A. Shiver was not a resident of the State of Alabama, and that his residence is at Elba, Alabama.

To Fronte Sapp: You are hereby notified that W. D. Shiver and M. Shiver died in this Court on the 15th day of January, 1929, an instrument, in writing, signed by Albion Shiver and attested by J. T. Eageron and H. J. Johnson, subscribing witnesses, purporting to be the last will and testament of Albion Shiver, deceased, petitioning the Court to probate the same.

You are therefore notified that the 16th day of February, 1929, has been set for the hearing of the said petition, on which day you may appear and contest the same if you choose to do so.

J. A. Carnie, Judge of Probate.

SPECIAL—Full Fashion Pure Silk Hose, Silk Top and Foot, now selling at Mays-Vaughn Mercantile Company for \$1.50.

MORTGAGE FORECLOSURE SALE
Under and by virtue of the terms of a mortgage, executed on the 1st day of March, 1925, by Tom Smith to the undersigned D. C. Knox, and recorded in the Probate Office of Coffee County, Alabama, at Elba, in Book of Mortgages of said county, page 10, the said D. C. Knox will, in force, close of said mortgage, default has been made in the payment, sell to the highest and best bidder, for cash, in front of the Court, at Elba, Alabama, within the legal hours of sale on Monday, the 15th day of January, 1929, the following described real estate, which is conveyed in and under the mortgage, in full payment of the principal, interest, attorney's fee and cost of sale, to-wit:

SE 1/4 of NW 1/4, SW 1/4 of NE 1/4 and NW 1/4 of SW 1/4, Section 21, all or N 1/2 of SE 1/4, Section 30, Township 6, Range 21, in Coffee County, Alabama.

Witness my hand, this January 15th, 1929.
D. C. Knox, Mortgagee, C. C. Fleming, Attorney, 117-24-31-37.

BAPTIST W. M. S.
The Baptist W. M. S. met at the church Monday afternoon. Devotional was led by Mrs. R. G. Hutchinson. The Royal Service Lesson on "Personal Consideration" was discussed by Mrs. J. W. Knicker. Following the lesson, the installation of officers for the new year took place. Mrs. B. S. Franklin was in charge of this feature of the meeting. She made an inspirational talk in which she admonished the new officers to be faithful and true to their duties and obligations. Mrs. Franklin also commended the ladies for accomplishments of the past year and urged that each member be loyal. The meeting was dismissed with prayer led by Mrs. W. T. Whitman.

NOTICE
Notice is hereby given that a special election will be held in the Clarke Consolidated District No. 4, Coffee County, Alabama, on the 15th day of February, 1929, for the purpose of determining whether or not a special tax shall be levied and collected annually at the rate of thirty (30) cents on each one hundred (\$100.00) dollars worth of taxable property in said county, and to be continued for a period of 15 years from September 30, 1929, the same to be for public school purposes within said district. The boundaries of said district are as follows:

Sections 22, 23, 25, 26, 27, 34, 35, and 36; S 1/2 of Section 24; SE 1/4 of Section 25; NE 1/4 of Section 26; NE 1/4 of Section 27; NE 1/4 of Section 34; NE 1/4 of Section 35; NE 1/4 of Section 36; NW 1/4 of Section 24; NW 1/4 of Section 25; NW 1/4 of Section 26; NW 1/4 of Section 27; NW 1/4 of Section 34; NW 1/4 of Section 35; NW 1/4 of Section 36.

SPECIAL—Big Heavy Weight Double Wool Blankets going at \$4.68. Mays-Vaughn Mercantile Company.

For Baby Gifts visit our Baby Department. Mays-Vaughn Mercantile Company.
If you wish your child to be robust and healthy keep him away from people with colds.

Measles are more prevalent than flu in Elba and vicinity, according to reports.

Both young and old fruit trees require pruning and winter is a good time for doing the job.

Cold frames and hot beds are now in order for starting vegetables for the will of our Saviour who knoweth best.

VOLUME XXXII.
EIGHT BILLION DOLLARS OF CONSTRUCTION

The greatest volume of construction work ever witnessed in the United States during a single year has been accomplished in the past twelve months, according to statistics just compiled by the Associated General Contractors of America. The figures, representing construction operations of all types, show an increase of almost five per cent above the mark set in 1927.

An estimated value of more than eight billion dollars is placed upon the 1928 construction.

The year just closed was the seventh in succession to witness a rise in the volume of construction activities. Not since 1920 has an annual total shown a decline from the figures set during the preceding year. The 1928 total virtually is double the 1914 figure.

In addition to setting a new annual record, 1928 holds the distinction of having seen a new and unique high mark in the volume of construction activities. The new county health officer has been named.

Farm Bureau Announces Prices Of Fertilizer
Soda, per ton, delivered, \$50.65
Muriate, per ton, delivered, \$45.65
Superphosphate (acid) deliv., \$17.10
The prices on all materials are delivered at Elba, other points vary a little due to freight rates. The prices are the same at all points. All orders must be placed by March 1st. Do not wait until the last day to put in your order.

POLL TAX MUST BE PAID SOON
Poll taxes should be paid by February 1st. Unless this is done persons liable cannot vote this year. While there is no primary or general election this year, special elections may be held, which may be important to all taxpayers. It will be too late soon here. Let us urge all to pay at once.

ANOTHER BIG TURNIP
"Parson" Daniels, one of the colored subscribers of The Clipper, who lives on route 3, died last week that the story of the big turnip that was printed in a recent issue of The Clipper wasn't quite his own doing. On Tuesday of this week he brought to this office a real grand-daddy turnip, one which, when weighed, tipped the scales at a trifling over ten pounds.

PEANUT TARIFF INCREASE IS ORDERED BY COOLIDGE
WASHINGTON, Jan. 19.—President Coolidge today proclaimed an increase in the tariff on imported peanuts from 3 cents to 4.25 cents per pound and on shelled peanuts from 4 to 6 cents per pound, to become effective Feb. 18.

RAINER MOTOR CO. RECEIVES NEW SIXES
Rainier Motor Company, local Chevrolet dealers, received a cargo of the new Chevrolet Sixes Monday afternoon. The cars containing 1000, 1200 and 1500 four-door sedan, all of which were delivered immediately to customers upon arrival.

TRUCKS TO TALLAHASSEE
A fleet of ten huge trucks, of the variety used in construction work, are en route from Whitesville, Tenn., to Tallahassee, Florida, where they will be used on road construction work. They belong to the J. B. McCrory Construction Company, a firm which has had charge of some of the largest jobs of that kind in the South.

NEW HOPE 4-H CLUB MEETS
The 4-H club of New Hope met with Miss Hughes last week for the purpose of home improvement. The meeting was called to order by our president, Gladys Dismuke. The roll was called by the secretary, Arzie Rath Shiver. We sang several songs, and discussed the combination of colors and a refreshing draught, re-marked: "Whooee! This also is the hottest weather I've seen since last August." The thermometer did stand at about 80 in the shade that day.

DR. BERRY RESIGNS AS HEALTH OFFICER OF COFFEE COUNTY
TO TAKE POSITION WITH GOVERNMENT, AND RESIGNATION TO TAKE EFFECT JANUARY 31ST

Dr. R. A. Berry, who has been County Health Officer with offices in Elba, for the past twelve months, announced his resignation Monday, to take effect January 31. He now has a position with the United States Department of Labor, Children's Bureau, as assistant medical officer, with headquarters in Montgomery.

Dr. Berry has successfully kept the local health unit upon the same high plane for which it has been noted, and Coffee county ranks high in health standards throughout the state. It will be genuine regret that Coffee county will feel to learn of the resignation of Dr. Berry, and he will have their best wishes for success in his new undertaking.

The new county health officer has been named. Mr. J. T. Helms, a progressive farmer and gave him all the assistance he could.

He attributes much of his success to the kind and amount of fertilizer he has used. He has been successful in securing 400 pounds of superphosphate, 200 pounds of muriate of potash, and 50 pounds of muriate of soda, this being the "Auburn" mixture for this county. All of his fertilizer was the exception of three-fourths of the nitrate of soda was applied when he planted the seed. As recommended by his county agent, three-fourths of his nitrate of soda was applied immediately after churning.

Thomas used the Bottoms profile variety of cotton which was originated by his father who has practiced systematic selection and development each year.

The total value of his crop was \$52,241, or 4.34c per pound. This left him net profit of \$16,624 on his acre. The cost includes land rent, fertilizer, seed, labor, and other things necessary in making cotton.

LEADERSHIP SCHOOL FOR 4-H HOME DEM. C. LEADERS
There will be a leadership school Saturday morning, January 30, at Elba in the court house.

Club members are asked to bring with them a copy of the "4-H Home Demonstration" booklet, state nutrition specialist, on that date. Let's have every club represented.

HOME WORKERS DID BIG WORK IN 1928
AUBURN, Ala., Jan. 21.—A total of 18,326 farm women and girls in 41 counties in Alabama were engaged in 4-H club work under the direction of county home demonstration agents in 1928, according to the annual report prepared by Miss Helen Johnston, Auburn, state leader of home demonstration extension work. Of this number, 8,111 were women and 10,215 were girls. Miss Johnston said that thousands of other girls not enrolled in organized clubs benefited by the work.

Miss Johnston's report contains a summary of the work for each of the major projects and also general statistics. It reveals that during the year the 41 county home demonstration agents held 11,352 meetings with an attendance of 257,229. They visited 7,281 different homes, 12,362 times.

These figures indicate general activities of the county home agents who spent two-thirds of their time out in the counties and one-third in their offices.

NEW DENTIST HAS OFFICE HERE
Dr. W. M. Ringdorf, dentist, now has offices in Elba, located over Elba Drug Co., as will be noticed by readers of The Clipper in his professional card which appears in this issue.

Dr. Ringdorf has an excellent location, and his office is equipped with all modern appliances. He was formerly located in Montgomery and Haynesville.

AUSTRALIAN BOYS VISIT
Traveling under auspices of the Young Australia league, a party of 100 boys will visit Mobile on February 23, according to information received at the office of the Chamber of Commerce. The boys will be on a tour of the United States. Plans will be made to meet them at Mobile on the 24th. They will be here about an hour.—Mobile Register.

VOLUME XXXII.
EIGHT BILLION DOLLARS OF CONSTRUCTION

The greatest volume of construction work ever witnessed in the United States during a single year has been accomplished in the past twelve months, according to statistics just compiled by the Associated General Contractors of America. The figures, representing construction operations of all types, show an increase of almost five per cent above the mark set in 1927.

An estimated value of more than eight billion dollars is placed upon the 1928 construction.

The year just closed was the seventh in succession to witness a rise in the volume of construction activities. Not since 1920 has an annual total shown a decline from the figures set during the preceding year. The 1928 total virtually is double the 1914 figure.

In addition to setting a new annual record, 1928 holds the distinction of having seen a new and unique high mark in the volume of construction activities. The new county health officer has been named.

Farm Bureau Announces Prices Of Fertilizer
Soda, per ton, delivered, \$50.65
Muriate, per ton, delivered, \$45.65
Superphosphate (acid) deliv., \$17.10
The prices on all materials are delivered at Elba, other points vary a little due to freight rates. The prices are the same at all points. All orders must be placed by March 1st. Do not wait until the last day to put in your order.

POLL TAX MUST BE PAID SOON
Poll taxes should be paid by February 1st. Unless this is done persons liable cannot vote this year. While there is no primary or general election this year, special elections may be held, which may be important to all taxpayers. It will be too late soon here. Let us urge all to pay at once.

ANOTHER BIG TURNIP
"Parson" Daniels, one of the colored subscribers of The Clipper, who lives on route 3, died last week that the story of the big turnip that was printed in a recent issue of The Clipper wasn't quite his own doing. On Tuesday of this week he brought to this office a real grand-daddy turnip, one which, when weighed, tipped the scales at a trifling over ten pounds.

PEANUT TARIFF INCREASE IS ORDERED BY COOLIDGE
WASHINGTON, Jan. 19.—President Coolidge today proclaimed an increase in the tariff on imported peanuts from 3 cents to 4.25 cents per pound and on shelled peanuts from 4 to 6 cents per pound, to become effective Feb. 18.

RAINER MOTOR CO. RECEIVES NEW SIXES
Rainier Motor Company, local Chevrolet dealers, received a cargo of the new Chevrolet Sixes Monday afternoon. The cars containing 1000, 1200 and 1500 four-door sedan, all of which were delivered immediately to customers upon arrival.

TRUCKS TO TALLAHASSEE
A fleet of ten huge trucks, of the variety used in construction work, are en route from Whitesville, Tenn., to Tallahassee, Florida, where they will be used on road construction work. They belong to the J. B. McCrory Construction Company, a firm which has had charge of some of the largest jobs of that kind in the South.

NEW HOPE 4-H CLUB MEETS
The 4-H club of New Hope met with Miss Hughes last week for the purpose of home improvement. The meeting was called to order by our president, Gladys Dismuke. The roll was called by the secretary, Arzie Rath Shiver. We sang several songs, and discussed the combination of colors and a refreshing draught, re-marked: "Whooee! This also is the hottest weather I've seen since last August." The thermometer did stand at about 80 in the shade that day.

DR. BERRY RESIGNS AS HEALTH OFFICER OF COFFEE COUNTY
TO TAKE POSITION WITH GOVERNMENT, AND RESIGNATION TO TAKE EFFECT JANUARY 31ST

Dr. R. A. Berry, who has been County Health Officer with offices in Elba, for the past twelve months, announced his resignation Monday, to take effect January 31. He now has a position with the United States Department of Labor, Children's Bureau, as assistant medical officer, with headquarters in Montgomery.

Dr. Berry has successfully kept the local health unit upon the same high plane for which it has been noted, and Coffee county ranks high in health standards throughout the state. It will be genuine regret that Coffee county will feel to learn of the resignation of Dr. Berry, and he will have their best wishes for success in his new undertaking.

The new county health officer has been named. Mr. J. T. Helms, a progressive farmer and gave him all the assistance he could.

He attributes much of his success to the kind and amount of fertilizer he has used. He has been successful in securing 400 pounds of superphosphate, 200 pounds of muriate of potash, and 50 pounds of muriate of soda, this being the "Auburn" mixture for this county. All of his fertilizer was the exception of three-fourths of the nitrate of soda was applied when he planted the seed. As recommended by his county agent, three-fourths of his nitrate of soda was applied immediately after churning.

Thomas used the Bottoms profile variety of cotton which was originated by his father who has practiced systematic selection and development each year.

The total value of his crop was \$52,241, or 4.34c per pound. This left him net profit of \$16,624 on his acre. The cost includes land rent, fertilizer, seed, labor, and other things necessary in making cotton.
